Marquee Hire for Civil Ceremonies and Partnerships

With the exciting news announced at the recent Approved Premises Seminar for Cheshire East in November, it is now possible to hold ceremonies in marquees in the grounds of approved premises. Legislation requires that the short legal aspects of the ceremony will continue to be carried out in one of the rooms at the venue approved for civil marriage and civil partnerships, but the ceremony may take place in a marquee, ideal for those inviting a large number of guests.

This means that your dream day can be celebrated outdoors, and can add that “special something” in a stunning location.

We can provide structures for ceremonies as small as 4 guests, to those for 300+. In addition to the marquee we can provide PA systems to ensure that everyone hears the special vows.

Depending on the venue, you may wish to have the wedding breakfast in an existing banqueting room, or turn the marquee into a lavish banqueting hall whilst you take celebration drinks and have photographs in the grounds.

Whatever your requirements, let our team of professionals take the strain out of your special day.

From basic, to fully lined, the Choice is yours.
